The Fatal Germ and Its Remedy Now

It is the rarest thing in the world for a man to be necessarily baid. No man whose hair is not dead at the roots, need the hald if he will use Newbro's Herpi-cide, the new scalp antiseptic. Herpi-cide destroys the germ that cuts the hair off at the root; and cleans the scaip of dandruff and leaves it in a perfectly healthy condition. Mr. Mannett, in the Maryland Block, Butte, Mont., was entirely baid. In less than a month Herpicide had removed the enemies of hair growth, and nature did its work by covering his head with thick hair an inch long, and in six weeks he had a normal suit of hair.
